Projection: Playoff orchestrator in promotion hunt.

Human Scout Notes

"Zag's brains dominate—reads the game perfectly, dictates tempo. Leixões' midfield general."

Tactical Fit & Suitability

Evrard Zag excels for teams that:

- Build methodically from deep
- Press selectively in doubles
- Need experienced midfield anchors

Less suited for:

- High-intensity box-to-box roles
- Ultra-attacking systems

Suggested Action

Embed as Midfield Anchor:

Pair with dynamic 8s; limit exposure.

Passing Drills:

Maintain range vs compact blocks.

Load Management:

Rotate youth to preserve legs.
