Human Scout Notes

"Vinicius unplayable—dribbles elite, decisions maturing. Madrid's unstoppable force."

Tactical Fit & Suitability

Vinicius Junior excels for teams that:

- Exploit 1v1 wing duels

- Transition explosively
- Feature inside forwards centrally
- Less suited for:
 - Rigid wing play
 - Low-tempo possession

Suggested Action

Embed as Star Winger:

Pair with central runners; protect from fouls.

Decision Drills:

Sustain end product in chaos.

Load Management:

Rotate Europe to peak domestically.
